# PRESIDENT'S REPORT

Although failing to figure in any semi-finals this year, the club none-the-less has had a most successful season both on and off the field.

All three sides finished well up in their competitions, enabling the club to finish fifth in the club championship. Indeed, at one stage it appeared we may figure in all three semi-finals, however the inevitable loss of players through injury and travel took its toll and we failed to consolidate on our early good form. That we had our chance to make the semis is echoed by the fact that both 1st and 2nd Grade beat three of the four semi-finalists through the year.

My personal congratulations to all players this year and especially to the three coaches, Paul Dalton, John Dawson and John Haywood. We all know they were hard to cop at times, but their motivation was always to produce the best results possible on the field. Their dedication was rewarded with some fine results (notably our first 3 grade wins over Kiama) and was reflected in the high standard of team play and an increased development of individual skills. I am confident the basics of winning rugby instilled by the three coaches and the determination to win shown on the field, will stand the club in good stead for the '83 season.

This year also saw the club purchase, renovate (or was it rebuild) and subsequently rent a property in Wollongong. My whole-hearted thanks to members of the club who gave up many Sundays to apply their building skills to the house. In particular I would like to thank Phil Remfrey, Ron Wessell, Don Muir and Henry Rarera for organising and directing working parties. Without their guidance I am sure the mystery spak-filler and painters would have exacted a lot more havoc.

My congratulations and thanks to all office bearers and committee members this year. I am confident they can feel well pleased with the results achieved by the club this year, results that are not possible without willing workers. I can assure you that the successful club is not the one which sits back and hopes jobs will be done, it is the one which can confidently complete the small jobs with the minimum of fuss. Every club member has the capacity to help in some way. Be enthusiastic, be willing, and you will get an enormous amount of satisfaction from this great club of which you are a member.

My special thanks to Treasurer Gary Graham, Secretary Bryan Leo, Club Captain Ron Wessell and Publicity Officer Graham Collinson-Smith for the excellent way in which they have filled their positions this year.

The Social Committee headed by Kosta Delimaholis, provided many varied activities through the year, with the Annual Ball and Harbour Cruise being the highlights. My thanks to Kosta, his committee, and especially the ladies in the canteen, for their untiring efforts throughout the year.

May I also extend the Club's appreciation to the Illawarra Master Builders Club and the Grand Hotel for their continued patronage, to all our sponsors and subscribers for their continued support and to Lord Mayor, Frank Arkell for his assistance and guidance throughout the year.

Finally, may I thank you for the honour of being President of the Waratah Rugby Club, and wish all members and their families the very best in the coming year. Let's consolidate on the past year's work, both on and off the field. We can all work together to build the club up to be the best. Be prepared to help rather than criticise. Be enthusiastic and have a go.

JIM PETTIT

# TREASURER'S REPORT

1982 may be seen as a successful year for the Waratahs in terms of playing results, but it has been a very difficult year financially.

Because of the club's commitment to the purchase of the Corrimal Street property, we started 1982 with a large number of outstanding accounts and financial obligations totalling thousands of dollars. It is only now that we are beginning to see a little light at the end of the tunnel, and should be able to commence operations in 1983 with a clean slate. Things do not stop there, however. All club members should be mindful of the need to consolidate our financial position during the next year.

As usual, I will be presenting a full statement of financial operations at the Annual General Meeting in December. For now I would like to step outside my Treasurer's brief to make a general observation on the club. We need considerably more involvement from club members generally in administration. Too much is being left to a few. A club is a collection of individuals and can only reflect the total sum of what the members contribute to it. Please be forthcoming with your ideas and be prepared to follow through by committing some time and effort to the club.

Please support the sponsors who support the Waratahs, chiefly the Grand Hotel and the Illawarra Master Builders Club, along with the advertisers in the newsletter and in this yearbook.

I would like to record my appreciation of the efforts put in by a number of people this year to help the club. Thanks must go to my fellow Committee members, particularly to Jim Pettit and Bryan Leo. The work done by these two gentlemen on behalf of the Waratahs often goes unnoticed, but I do not intend to let it go unacknowledged. Thanks also to Kosta Delimihalis in his role as Social Secretary, with special mention of the ladies who staffed the canteen so ably during the season.

Finally, my particular thanks to the Minister without Portfolio, Ron Wessel, for his support and hard work during 1982. Thanks Ron.

Let us all work together to make 1983 a big one, in every way.

GARY GRAHAM

\* \* \* \* \*

# CLUB CAPTAIN'S REPORT

That was the year that was. 1982 the best year for the Club so far, finishing sixth in the Club Championship and all grades finishing in the top half of their comps. All the clubs that finished ahead of us in the Club Championship were involved in the semi's, so not a bad effort.

It has been a long season for a lot of people, starting just after New Year with the renovation work on the house, and continuing every weekend from then. It was also a year which promised so much with first grade turning on 17 points, but unfortunately did not quite live up to our hopes. Don't lose heart though it takes time to build a great club, and we have laid the foundations for future success, so lets build on it.

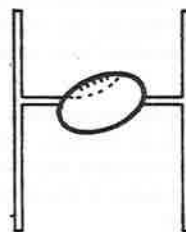

Overall it has been a pretty good year with many a good time had by all along the way. Several fun-filled days, and some nights, were had at the house early in the year, with a lot of blokes showing a level of manual dexterity that could only be described as unbelievable. Thanks to the girls too for their help on that project, and on the phone book deliveries as well. Ah! the phone books; a great day eh Brian, Ian, John et al. Ptui, there goes my dummy again. A good day though, and a great money raiser, look for it next year.

It has been a good year as far as numbers are concerned, with over 100 registered players and a lot better attendance at training. This new found dedication to training showed on the field and I'm sure made the coaches' jobs easier. This application and dedication if kept up next year will stand the club in good stead and keep the momentum going. Don't give up and get too paunchy in the off-season, it makes it too hard in the following pre-season as I know only too well. Also, don't ease up on the recruiting drive either, as I'm sure there will be a few other retirements as well this year.

All in all a good year, but not a great year. Keep building and we will have a better year next year and go from strength to strength. We hit rock bottom in 1980 with two wooden spoons, but we have gone onward and upward from there and we can keep going if we all pull together and have a go.

Up the Tahs!

RON WESSEL

Ron Wessel (Club Captain) and Gary Graham (Treasurer) hosting Dave Middlebrook, Rod Coleshill, John Kamaretsos and Bob McKellar at a Club Function.

# FIRST GRADE REPORT

The 1982 Season proved to be most successful and enjoyable as far as I am concerned.

Pre-season training was strenuous and along with four trials we approached the season proper very fit and confident.

We turned at the half way mark in second position with losses only to Vikings and Goulburn.

It was very unfortunate that we incurred a spate of injuries in the second round along with some refereeing decisions that had us all tearing our hair out.

I am sure these two factors contributed greatly in our form slump. I think we lost confidence in ourselves and this showed in our game.

Our form did pick up in the latter half when we beat Goulburn at Goulburn and we realised we could again make the form. Unfortunately that was not to be, with the "Crunch" game being Camden.

Camden had different ideas and deserved their win and carried on that form to beat Kiama.

It was very pleasing to see that the teams that did beat us went on to inflict the same dose to the semi-finalists which meant our form was very consistent throughout the year.

There was not one game where we gave in and it speaks volumes for our tenacity and will to win.

I would like to take this opportunity and sincerely thank all the players and officials who contributed so much to make 1982 a very memorable and successful year.

There were a number of memorable performances but the game that really goes to the heart was the Kiama game in the first round. It had everything that Rugby can offer.

Once again I would like to thank everyone, particularly the elder statesman who kept the side together.

PAUL A. DALTON

\* \* \* \* \*

## 1st. GRADE

Standing L. to R.: Henry Rarere, Neil Parsons, Glen Beckford, Tom Walker, Steve Vann, Barry Woolston, Don Muir (Capt.), Bill Barker, Mark Hotchkis, Mark McConnell, Ron Wessel, Jim Pettit.

Seated L. to R.: John O'Donnell, Ian Kent, Paul Dalton (Coach), Graeme Collinson-Smith, Steve Greenaune. Absent: Paul Murray, Ian Walker, Gene Ross, Taga Vaai, Steve Grace, Mac Parata.

# SECOND GRADE REPORT

1982 was a year in which second grade promised a great deal at different times throughout the season, only to falter at the last couple of hurdles. However, to continue the racing analogy, we gave our backers a great sight for a long time!

Second grade reaped the benefit of the influx of skilled players into the club in the early part of the season. Some of the second grade teams in the first few rounds of the competition bore comparison with first grade sides of previous seasons. Injuries and the loss of key players took their toll though, and we had to be content with equal fifth place with Kiama on the competition table.

There was a considerable turnover of players in seconds this year, probably exemplified by the number who acted as captain. At various times, Ian Kent, Mick Greenhalgh, Mick Wilkins, Chris Nursey, Steve Creenaune, Henry Rarere and Ron Wessel had the job (with apologies for any omissions). Kenty assures me that he was the only one with an unblemished winning record.

The appointment of Paul Dalton as first grade coach this season enabled players to gain new insights into the techniques and attitudes necessary to produce winning rugby. I am sure that the many second graders who were exposed to his methods profited by the experience.

I would like to thank all players this year for their commitment to training and in games, and for their general dedication to the second grade cause. My particular congratulations to Jim Cla-Bour for a splendid season, to Mick Greenhalgh for his consistently good performances, and to Wade Davis for a whole-hearted effort at all times.

I would personally like to thank Mick Greenhalgh for his contribution to the club as a player. Mick this year capably played in every position in the back line, and proved to be the best utility back in the club. Mick's services to the club will be sadly lost both on and off the field, and on behalf of the team we wish Mick and

his wife the very best for the future. We only hope that we don't have to line up against him next year wearing the Bowral jumper.

I hope to resume my playing career in 1983 and look forward to seeing everyone at Keira Oval bright and early in the new year for some enjoyable and relaxing pre-season training. We'll probably start with four laps, just for variation.

JOHN DAWSON

\* \* \* \* \*

## 2nd. GRADE

Standing L. to R.: John Dawson (Coach), Bob McKellar (Manager), Al Gregory, John Dawson, Roger Edwards, Chris Norris, Mark Condon, Chris Nursey, Gary Hart, Dave Middlebrook, Mick Wilkins.

Seated L. to R.: Mick Greenhalgh, Wade Davis, Jim Pettit, Phil Youll, Brent Edwards, Paul Ragnoli, Steve Greenaune. Absent: Peter Leiner, Jim Cla-Bow, Warren Muir, Gary Vann, Kosta Delimahalis, John Robinson, Darryl Downes.

# THIRD GRADE REPORT

That elusive premiership has evaded the thirds once more. This was due to an enormity of injuries to players in all grades resulting in continual changes to the third grade line-up.

The winner for 1982 was the strong Waratah Rugby spirit exemplified by the number of players that made themselves available to aid a depleted third grade side. At the commencement of the competition the club was fortunate enough to have an abundance of players resulting in three strong teams and ample reserves. As the season progressed we had more than our share of injuries.

Over 22 rounds of rugby, a total of 73 players have taken the field in third grade and from that great depth of talent emerged up-and-coming young players like Ron Wessel, Graeme Collinson-Smith, Jim Pettit together with Malcolm Phillips and Neil Parsons who all gained selection in first grade.

Throughout the season the third grade team was composed of youth and experience with ages ranging from 16 to 39 years. Some players were experiencing their first year of rugby while others their 14th and 15th. The year 1982 has shown the successful transition of Chris Norris from wing to breakaway and Mark Condon in his first year of rugby played with vigour and enthusiasm. The return to football of former Kiama and Illawarra centre John Dawson has contributed greatly to the team's success this year. His experience is invaluable to the development of up-and-coming young footballers. John teamed up with his brother Ian, also a former Illawarra player, for the first time of their careers.

A special thanks to the regulars at training, Mark Condon, Ron Wright, Garry Graham, Tony Johnstone, Gordon Green, Chris Norris and Bob Bartle who all maintained a strong commitment to third grade and Waratah Rugby.

Each week saw the selected third grade side depleted as a result of injuries in the higher grades and my Fridays were spent chasing sufficient players by telephone and often forced to enter the Master Builders' Den of Iniquity on Friday nights to recruit players. It makes me very proud to be associated with the Waratahs when past players come out of retirement to display the strong club spirit and commitment that exists in our club.

Special thanks to those players Bryan Leo, Blood Fleming, Rod Thompson (try scorer), Mark Fisher, Plonky Elliott, Jim Pettit, Ron Wessel, Rod Coleshill, Mick Greenhalgh, Geoff Gaven and others.

At the ripe young age of 33 years, Dr. Bob Bartle made his rugby debut for the club striking fear into the opposing wingers (when he removed his teeth!!). Ken Milner trying to further his illustrious career moved to the Dapto Club. As well as playing a record number of games Ken is attempting another record of playing with the greatest number of clubs.

Third grade completed the season in 6th position on the competition ladder with 19 points which resulted from 8 wins and 3 drawn games.

I would like to extend my appreciation to all those fellows that turned out in the mighty red and black this year and gave me support in my first year of coaching. Unfortunately in the earlier stages of the competition we had an abundance of players and many played only half a game or stood on the side line as reserves, but it was gratifying to see them remain loyal to the club and were available when we were desperately short of players and needed them.

We witnessed an abundance of talented players in 1982 and I would like to encourage all players to turn out again next year in the red and black colours and make it Waratah's year in 1983.

Again, thanks to all the players, committee and spectators who supported me throughout the year.

JOHN HAYWARD  
Coach (Third Grade)

# SOCIAL REPORT

The 1982 season has ended, things are back to normal for most, but the social committee works on.

Not only did the Waratahs have a successful season on the field, they had a better one off, with comments like "these Waratah people really know how to enjoy themselves" which was made by a young lady at one of our away games.

The wine bottling again started the 1982 social season at a well-known place in Windang. Thank you to Paul Dalton. The day proved very entertaining for all, Mark Ho-ch's amused us most of the morning around the kegs, and saw to it that every bottle, both red and white, was of equal quantity. He then mysteriously disappeared. The grand finale was a game (I think cricket) between N.Z. & Australia. Underhanded play resulted in Australia winning the first test. A great day for all.

Thank you Grand Hotel for providing us with their facilities for after match functions, and tolerating Henry's singing and strumming for six months.

Our social event of the year, which was held at the Ukrainian Club proved to be a great success amongst Waratahs and friends, but not so for the management - they just couldn't get us out. Once again we may have to look for another venue for next year. It was impressive to see what various shapes and forms red and black can take. No. 1 coach and Worm were true to form. A good night enjoyed by all.

Our trip to Pamy's Wool Shed was a beaut night. I personally thank every one for coming and behaving themselves so well both on and off the bus. But who was that drunk who stopped the bus on top of the mountain? Those who didn't come may never know.

There are still a number of social events before the start of the 1983 season which all Waratahs should attend. These include the

Social Secretary (on right)  
Kosta Delimahalis & Lon Bartle

Harbour Cruise on 29th November. A return Test match N.Z. v's Aussies (can they even the score?), and the Waratah Christmas Party at Bob & Lou Bartle's on 11th December. The theme is any way you like it, but it must be formal or part thereof.

Our canteen this year was a lot of hard work by a number of Waratah ladies and active members of the social committee. Once again it has been a financial asset to the club. We have the best equipped and run canteen in the District. I thank the ladies who worked the canteen week after week for their support and goodwill. This club would be struggling without you!
