# President's Report

The 2010 Illawarra rugby season has been run and won and it was with a heavy heart that I handed over the first grade premiership trophy at Shoalhaven Rugby Park on finals day. I didn't think for a minute that we would be denied the chance, to reclaim what we all viewed as rightfully ours, by a young and enthusiastic Shamrocks team. Sadly Shamrocks beat us in the final 31-29 and while this was disappointing we really must keep the season in perspective.

After round 7 of the competition first grade had two wins and four losses, one of those losses was the 64-12 loss to the Lions, the clubs worst first grade defeat since the bad old days. It would have been easy for everyone involved to turn up their toes, think it was all too hard and head to the bar to drown their sorrows. This is not the way Tech Waratahs do things. There was never any doubt that we would be in the semis and the fact that this was achieved is testament to the tenacity, skill and commitment of every single player in the club.

To all the players that played first grade this year, thank you for taking us on a wonderful journey. To Tony and Wayne, first grade coach and manager, thank you for your efforts this year.

2<sup>nd</sup> grade this year was a bit of a struggle with moments of inspiration interspersed with moments of desperation. Sadly the desperation won out in the end and while I believe the lads enjoyed the season it really is a time to pull out the old 'always next year' cliché, forget about that one men, and move on. Daniel and Paul, with a bit of help from random other souls when Condo had to play threes did an admirable job of fielding sides every week under extremely difficult circumstances at times.

3rds were the surprise packet of 2010 although I'm not so sure coaches and players would agree. I'm sure they would all say they expected the success that 2010 brought. Kristian and Leia did a marvellous job of throwing a dozen old blokes that still think they can play rugby with a dozen young blokes who are all prospective Wallabies and coming up with a winning formula. I must admit that I get as big a kick out of watching 3s as I do 1s and the lads didn't disappoint in making the semis and only missing out on a final berth in extra time against Camden.

As far as on field is concerned we had a good year.

# President's Report

Off field saw us hold Ladies Day, Sponsors Day, Old Boys Day, a trivia night and our Pink Day, a fund raiser for the National Breast Cancer Foundation. We have only just finalised all of our accounts from Pink Day, the wheels of amateur sport sometimes turn slowly, but I can confirm that we cleared in excess of \$5000 which was a satisfying result and one that we should all be proud of.

These functions and initiatives cannot be run without the support of club members and committee and to all involved I thank you on behalf of the club. I particularly wish to thank Tom Bevan and Rob Kelly, our retiring canteen gurus for the assistance they have given myself and past committees. You never cease to amaze me and your ability to run our biggest source of income is without peer. Who ever takes over next year has very big shoes to fill.

I would also like to thank Tony Gorgijovski, Shane McVicar and Barry McVicar for the work they have done on the ground this year as well as all the little things that they do that go unnoticed but are greatly appreciated. In a similar vein I would also like to thank Josh Davey and Mark Mazzini for their efforts in ensuring the ground was set up for all of our home games and the handyman work around the club house was done.

2010 saw us successful in accessing a federal government volunteer's grant (for small appliances and equipment), Woolworths Fresh Food Kids Grant (to assist with primary aged kids equipment and kit) and an Australian Sports Commission Grant (equipment for junior teams). While not large amounts they are significant enough to make life a little easier and help to provide better facilities and equipment to be enjoyed by all club members.

On the representative front we had a number of players represent the senior Illawarra team this year including Harry Hawksworth, Tim Olsen, Richard Hoffman, Josh Darby with Josh going on to play for the Country Cockatoos. It should also be noted that at the recent Illawarra District Presentation Tim was recognised for his captaincy and consistent play as the Illawarriors Representative Player of the Year. This award was richly deserved by a man that we are fortunate to have as part of this club and we are all fortunate to have as a friend.

On the same evening Shane McVicar was awarded with the Illawarra District Rugby Union Senior Volunteer of the Year award. Once again a much deserved recognition for many years of playing, administration and volunteering. If we all had just a little of Shane's drive both our club and ourselves would be far better off.

# President's Report

I also take this opportunity to recognize our juniors who have gone from one shaky team three years ago to four teams this year. This can be attributed in no small measure to Geoff Needham who has taken it upon himself to rebuild the Tech Waratahs junior program. Success for the year came in the form of our U16s side making the grand final and while they seemed to suffer from a little stage fright on the big day and were beaten by Shamrocks they acquitted themselves well. It is hoped that we can keep the majority of those lads together in 2011 as they are the future of our club.

Finally I wish to recognise the club's sponsors for the 2010 season. Your support allows us to provide a wonderful sporting opportunity to our senior and junior teams. I would particularly like to mention Wiseman Park Wollongong City Bowling Club, our major sponsor for the past eight years, and Redback Music, our jumper sponsor for 2010. Thank you for your support.

Farewell 2010 and bring on 2011.

Rod Horan

President

# Junior President's Report

**2010** consolidates the work done for the Juniors in the previous 2 years of rebuild.

## **Highlights**

Some of the highlights this year have not been on the field, although they have produced their share of notable events. The highlights for me this year have been about what sets Tech Waratahs apart from other Clubs and provides a spirit of support and leadership not always visible at first glance.

This year for the first time in a while saw us produce 2 fine Junior referees, who, at the end of the season officiated in more than one of the finals, a great credit to them, to be judged by their peers. Congratulations to Tyson McEvoy and Lachlan Hurry who most capably made the transition each week from player to referee.

Support of the Australian Sports commission Paul Cunningham and Sean Barrett with the Active after School Coaching and the Kids in Rugby programs. I would like to thank ; Liam O'Dwyer, Andrew Murphy, Mark Mazzini and Ben Shortus from Tech Waratahs Senior club . While I am not sure this year we attracted many players for the effort put in, every little bit makes a difference. Getting the Tech Waratahs Rugby name into the schools community will attract many players to the Club in the next few years..

James Needham and Sam Smith from the u16's team coached the Illawarra u10's team to the state championships, winning 7 games along the way losing only 1, a fantastic effort. There are not many Illawarra teams that go to the State Championships and win all but 1. The players really liked them and the parents (that fickle lot!) provided great feedback on their coaching.

The number of Parents and coaches this year that completed the Smart Rugby/Foundation Rugby. This level of up skilling will really help the boys play better football, the parents be better supporters and the club in the next few years.

## **Representatives in 2010**

I cannot underestimate the value of playing representative rugby; skills improve, ideas come back to the club and team performances improve.

- Daniel Grehan - Illawarra u16
- Liam Faughlin - Illawarra u16 and Country
- Sam Smith - Illawarra u16
- James Needham - Illawarra u16

I encourage all players to attend the Illawarra musters and get into those teams.

# Junior President's Report

Playing strength, this year saw us consolidate the playing numbers from last year and start to build depth; I was extremely pleased to show that we increased player numbers by 18 over last year, one of only two clubs in the district for that to occur, to a total of 65 registered and playing.

## U10's

The u10's started the year with just 4 players, this didnt deter them, they built consistently to have 7 regulars at the end of the season Mick and Jason did a great job of coaching and managing the team with most weeks seeing players from the other teams helping out with numbers. The boys played some great rugby during the year and with Deng coming along to run rings around the opposition and young Paul and Cody learning the game.

The 2010 awards for the under 10's

Backs Award - Liam Filan

Forwards Award - Cooper Fitzgerald

Players Award - Ian Davis

Coaches Award - Luke Fleming (Ron Wessel Shield)

# Junior President's Report

## U12's

The improvement in this team during the year was excellent, with most of the boys in the u11 age. It was a tough ask, Marty you did a great job with the lads who started the season in wild abandon, gaining structure and composure and ending the season playing some great rugby. The win over Bowral 45 to 44 a great moment for the team.

The 2010 awards for the under 12's

Backs Award - Harry Hawksworth  
Forwards Award - Chris Hawksworth  
Players Award - Lachlan Power

Coaches Award - Jason Davis (The Rick Boyle Shield)

## U14's

A very tough year indeed for these young men. Every week opposition that were older and bigger, even as the competition split into 14a's and 14b's it was not easier, I did not hear whinges from the boys as they just stuck to their game every week, with the passion and enjoyment as they did it. I appreciated the work that Scott put in, starting training every week before the others and finishing after. The season finished in the minor semi final at Shoalhaven with the enthusiasm that we saw at the start of the year.

The 2010 awards for the under 14's

Best Forward: Nicholas Mercer  
Best Back: Harley Harrison  
Best & Fairest: Jordan Cobbin

# Junior President's Report

The 2010 awards for the under 14's

Best Forward: Nicholas Mercer

Best Back: Harley Harrison

Best & Fairest: Jordan Cobbin

Coaches Award: Noah Mowbray (The McVicar Family Shield)

## **U16's Grand Finalists 2010**

I am very proud of the way Tim, Luke and the boys conducted themselves this year. It has at times been difficult, it was a great result to get through to the grand final. When I looked at the team this year Rodney, James, Lachlan, Sam, Blake, Ben, Mitchell and Owen who have played together at Tech Waratahs since u10s, through the ups and downs of Tech Waratahs Juniors having one team and almost folding, this group of boys have stuck together through all that. Add to that Liam, Justin, Alex and Dee Jay who have played the last couple of years, those who started this year - it was a very proud moment indeed to watch the boys run out on the field in the Grand Final to play for their own pride and pride in the Tech Waratahs club.

I am sure Cyril Saunders (Lachlan Hurry's grand father) was watching down on the team and urging them to do their best on the day. I saw a Tech Waratahs Rugby team that had surpassed many obstacles over the last couple of years there was no failure for the boys on the grand final.

The 2010 awards for the under 16's

Best Forward: James Needham

Best Back: Liam Faughlin

Most Improved: Justin Faughlin

Coaches Award: Dee-Jay Harris (The Darby Family Shield)

# Junior President's Report

Back Row; Tim Olsen (Coach), Jack Evans, James Needham, Alex Rosewarn, Ben Tyson, Blake Fitzmanu, Lachlan Hurry, Mitchell Glasspole, Luke Mayberry (Manager)  
ZFront Row; Corey House, Kia Dennelly, Justin Faughlin, Daniel Grehan, Liam Faughlin (Capt), Sam Smith, Owen Brace, Justin Lenane, Dee-Jay Harris. Absent; Josh Olsen and Rodney Manuela.

Finally the person this year who was always there to help, Coached the u10's, and helped the u12's, drove the boys around ran the BBQ even when his grandsons were not playing - thanks;

Club Person of the Year - Mick D'Aron (Jim Atkinson Memorial Trophy)

Geoff Needham  
Junior Vice President  
Tech Waratahs Rugby Club

# Treasurer's Report

We would like to thank Wiseman Park Wollongong City Bowling Club who continued as our major sponsors this year. This relationship has continued now for eight years, and we hope it continues for many more to come.

This year the club commenced a referral agreement with IMB Building society, and received revenue totaling \$5845.47. Through this arrangement the club receives commission payments for any home loan that is written for club members and supporters. Please see Craig Franklin (IMB Manager - 18 Years) if you would like to see how this arrangement can help you and the club.

Our appreciation also extends to the other sponsors associated with our club this season. These being:

- Redback Music
- TLE Electrical
- BaiMed Physiotherapy
- Ziedler Automotive
- Gwynneville Butchery
- Bulli Fruit & Veg
- Gwynneville Bakery

The canteen is a critical source of revenue for the club, and made a good profit once again this year. Rob Kelly held the role of Canteen manager this season, and continued to do a fantastic job. He was strongly supported by Tom Bevan and I would like to thank them on behalf of everyone for their tireless work running the canteen on game days and training nights. Thanks Rob, Tom and everyone else involved with helping out on game days.

The club would like to recognise the following people for their efforts in this area:

- Rick Boyle - Organising game day raffles
- Barry McVicar - Sponsors Day
- Wendy McVicar & Tara Condon- Ladies Day
- Kristian Evans and Zlatko Manovski - Trivia Night
- The whole committee - Pink Day (& Karaoke)
- Wayne Ireland, Justin Jones & Simon Marland - Old Boys Day

Finally I wish to commend the committee for their efforts in administering the club this year.

Craig Franklin  
Treasurer

# 1<sup>st</sup> Grade Report

Once again a season has come and gone, but this year with it has gone our first grade premiership trophy, silverware we tried so hard to defend.

The year started off fairly slow with three straight loses, one being our most embarrassing in the past ten years, things looked grim and I was preparing for a long year. With the arrival of Caleb Reedy back at the club our season turned around and people started walking around with the win grin once again on their faces, unfortunately after a hard end of season campaign we bowed out to shamrocks in the final, but our performances through out the year were a credit to all the boys which restored our standing within the district as one of the premier clubs.

Through out the year there were some outstanding performances from several players. Dave Mcconnell always led from the front with our Mr reliables Tim Olson and Richard Hoffman being our most consistent in the forwards along with Caleb, Trevor and Joel in the backs.

I would also like to take this opportunity to thank Lee Martin for coming back and helping me out when Caleb was out for a long period with injury, he added a lot to the side.

I would like to thank Wayne for his support as my manager through out the year and to Red and all of the committee for a wonderful job which was done in the running of the club. I wish every one well in the future and hope that next year it can be as succesful.

Cheeto

1<sup>st</sup> Grade Coach

## 2<sup>nd</sup> Grade Report

Firstly, I would like to thank Red and the committee for the opportunity to coach the seconds this year. It was very challenging but enjoyable also.

Thankyou to Paul Condon for his good work as manager throughout the year, a thankless job with lots of behind the scenes, unrewarded work. Thanks also to Tara Condon for her help when Paul was playing thirds.

We had numerous captains this year with James Letham and Fred Purcell doing a good job leading the boys for the majority of games.

Pre-season was promising with good numbers turning out for the Chodat fitness program. The 1st grade playing roster wasn't as strong as first thought which of course meant we struggled early especially in the backs.

We had a few close losses at the start then a low point of the season when we had a strong team in at shoalhaven but the lack of 3rd grade numbers meant we had 6 who played thirds then our 2 centres didn't show up which lead to a big loss. Bowral then dropped from 1st grade to 2nd grade and we had them 19-0 at halftime. The boys went to sleep and I made some coaching errors which led to another loss. The team was deflated and work had to be done.

We resorted to contact work at training and the boys worked hard. We needed a spark to pick us up. We found it in our new captain Fred Purcell. Fred has his problems which we all know about. But his first return from suspension really turned our season around. His intensity lifted the boys mid season to where we played some excellent rugby and found ourselves very competitive right the way through the middle of the season, only 1 or 2 experienced backs would have turned close losses into wins.

We were decimated by injuries at season end with Aaron Nuefield, Matt Simpson, Trent Napthali, Tony Giorgiovski, sustaining long term injuries, Jake Davey and Chris Hendry were playing injured to keep up numbers and Greg Mcandrew now covering regularly in 1st grade. This is close to our entire pack.

Third grade success meant it was very difficult to get players to commit. Special thanks to all the 3rd grade players who backed up at Vikings, many playing 2 games despite being senior citizens. Also, a big thankyou to all the guys who turned up for the final game at Wollondilly you are true club men and I am very grateful.

## 2<sup>nd</sup> Grade Report

A special mention for some of our best players throughout the season;

Rhyce Tobura was tireless all season scoring some great tries particularly his 80m effort against Engadine. He worked very hard on his game to become the teams best on-baller by seasons end.

Nick Beacroft offered some great attacking spark from the back and is one the clubs outstanding prospects. He looked very promising at fly-half at Wollondilly.

Jake Davey is a young boy in an old mans position. He along with Nick Beacroft is the most promising player at the club. Strong and aggressive I hope he remains for years to come.

Greg Mcandrew spent a lot of time in first grade but he is one of our clubs true leaders now and all the boys look up to him and lift when he is there.

James Letham started the season slow and after a chat developed into our best defender with some bruising defence on the fringe of the rucks.

Matt Simpson is an exciting player and carried on his good form from last season, his strong ball running made him our go to man on set pieces scoring a number of tries off 'Red Ball'.

Fred Purcell was my favourite to watch with the highlight of my week being his ability to produce a hit that absolutely destroyed the opposition player.

Aaron Neufeld gave everything for the team each week despite his tender age of 39.

Nathan Davey had what I see as his best year for the club. He enjoyed everything he did and did it with aggression despite being on the end of a stuttering backline.

Richard Pollard came mid season and provided attacking spark and strong defence to the crucial no.12 position. Some ruck knowledge is all he needs to be one of the clubs best.

Nick Partridge improved a lot throughout the year improving his defence out of sight.

Other strong performers throughout the year were Chris Hendry, Trent Napthali, Sam Patrinos, Jarrod Livingstone-Foggo, Mick Bruton, Tony G, Corey Condon, and Ben Palavi.

Congratulations to 1st and 3rd on making the semis, especially to Kristian Evans on an excellent year in his first year of coaching. He was very helpful when I found it difficult to make it to training due to work.

## 2<sup>nd</sup> Grade Report

I would like to finish by congratulating the committee on an excellent year. I have no doubt the club is in its strongest position ever off the field. Well done guys. However, the player depth is in trouble and we need juniors fast. Tim and Luke need support from the entire club bringing the current good batch of under 16s through to grade.

Thanks

Daniel Tully

2<sup>nd</sup> Grade Coach

## 3<sup>rd</sup> Grade Report

And the rest of you, not mentioned, are with me in third grade.

That seemed to be the way third grade went this year, not knowing who would be in the team till Thursday night or even Saturday morning. The element of surprise being third grade coach was what I enjoyed most this year, picking a team Thursday having a great team run, then to have Cheeto and Tully ring me up on Friday night saying i am taking him and him, SORRY. Turning up Saturday morning with the shits cause I cant get the same team on the field each week. But i honestly think that every time we had a set back this year no matter how big or small, the boys seemed to grow an extra leg, stuck together and just got on with the job, which was enjoying our rugby.

If someone would have told me that third grade would win 15 out of 21 games come 4th on the ladder and get knocked out in overtime in the second semi final, I would have taken it, so I personally think 2010 was a very successful year for the thirsties.

There are so many people to thank this year, both on and off the field, without whom none of this success would have happened. My special thanks to Red and the committee for all the hard work and dedication, that goes on behind the scenes. I personally know how much work is required to make this club successful and without you guys and girls, this club would not be where we are today.

To Tony Cheetham and Daniel Tully, a massive thanks to you both for your patience, assistance and most importantly your advice. A few times this year I was stuck for ideas, and I knew I could always rely on both of you to help 3rd grade in any way, shape or form in doing what was best for the club.

To Leia, the 3rd grade manager, well what can I say about Leia. The best manager a coach could have, nothing was a problem to her this year, I did not have to worry about a thing , Leia was always 2 steps ahead of me. From handing out jumpers to collecting the training balls, Leia was on top of everything a good manager should, so a massive thank you to Leia.

Now the most important thank you is to the players. Boys the effort, commitment and heart you all showed this year is what made this year so successful. Nothing was a problem to anyone, I am sure everyone of you played out of position at some stage, but the response to me from you all was the same, I don't care where I play as long as I am part of the team. Paul Condon, Luke Thompson and Sean Filan in particular.

To the Filan brothers, thank you both for your advice and ideas, you both made my job much easier this year.

## 3<sup>rd</sup> Grade Report

To the older brigade, Paul Condon, Rob Rossit, Zlatko Manovski, Steve Rendell, Mark Bye, Frogger D, Tony G, Harry, Nathan Astill, Robbo, Pottsy boys you are all like A good red wine, getting better with age. The fitness might not be what it was but your experience and effort in 2010 was invaluable.

And the younger brigade Foggo, Corey Condon, Corey Jones, Cody, The Great Mazzini, Jason Mackie, Robbie C, Muzz, Liam, Brett, You guys are the future of this great club. What I saw from you all this year, and the effort you put in week in week out, shows me the Tech Waratahs will be strong for a long time into the future. To everyone else who played or was behind the scenes this year, who has not been mentioned, a big thanks to you all.

Coaching 3rd grade this year has given me something I will treasure for the rest of my life. LIFE LONG FRIENDS. I hope to see you all back next year, bigger and better, and help make 2011 as enjoyable and successful as 2010.

Till 2011

Kristian Evans

3<sup>rd</sup> Grade Coach
