## PRESIDENT'S REPORT

*"With hard work comes success"*

Tooheys New cup premiers in first grade. Grand finalists in second grade and third grade having their best season since amalgamation, along with excellent results in the junior grades, I'm sure you would join with me in saying we had a **SUCCESSFUL** year.

The start to season 2004 was somewhat chaotic. After approximately "47" draw changes, the season commenced properly with the first five rounds held on Sundays to accommodate those **FEW** clubs with Illawarra representatives.

Tech waratahs set the benchmark supplying thirteen representatives to the senior Illawarra side, along with six representatives in the under 20's side. Congratulations to Rod Petty for making the Country Cockatoos, along with Dave McConnell who toured New Zealand with Country under 20's. Special mentions, of Sam Graham who suffered a serious ankle injury in the Country championship final, ending his season and Lee martin, injuring his knee ruling him out until the end of the first round.

Once again we were blessed to have a wonderful group of sponsors on board. Without their generosity the club would simply no longer be able to function. **WISEMAN PARK WOLLONGONG CITY BOWLING CLUB**. I would like to thank the board of directors for their continued support, paying special thanks to Secretary Manager, **WAYNE FULCHER** and staff for their valuable assistance throughout the year. **JEFFREY M. JONES, SOLICITOR**. Jeff has been supporting the club as a sponsor since the early 1990's. Jeff has announced his retirement and we wish Jeff and Barbara all the very best for their future in Tasmania. Jeff will surely be missed by all. Also, **HASTIES TOPTASTE MEAT, TYSON ZEIDLER AUTOMOTIVE SERVICES, BULLI FRUIT & VEG, UNANDERRA HARDWAREMAN** and only recently **HOGS BREATH CAFÉ & SALOON, WOLLONGONG**. I would also like to acknowledge **TAFE N.S.W** and in particular Steve Henderson and Karen O'Sullivan. General manager, Amanda Hall and catering manager Tim Box of **ILLAWARRA TAFE STUDENTS ASSOCIATION**.

I would like to thank my fellow committee members for their dedication and efforts throughout 2004, paying particular thanks to Warren Read, who, too many times was standing close by when my pressure relief

valve gave way. Thank you Warren. To Gordon Hurry, who was thrown in at the deep end and his junior committee for a successful season and for laying the foundation for a secure future for the juniors? Congratulations, also, to the coaches, managers and parents for their efforts throughout the year.

Congratulations to Paul Darby for guiding first grade to premiership honours and to his manager Rick Boyle. Tony Cheetham wasn't as lucky in seconds, but can hold his head high, proud of what his side achieved. Dave Stretton and John Maughan were unlucky at times, but guided thirds to finish just out of the semis. We are lucky at Tech waratahs that these men give of their time and efforts voluntarily, for that we all are extremely grateful. To Keith Wilson, Peter Smith, Warren Read and Gary Hussey for their efforts at the start of the trying to field an under 19's side for 2004. Unfortunately it wasn't to be, but your efforts were appreciated.

Congratulations firstly to the first grade players on taking out the premiership and to all those members who donned the red, black and white this season. To those players who were selected in representative sides or reached personal milestones, I also offer my congratulations.

To Julie Hill. Gerry Stort and Ronny Wessel, our sincere thanks for your tireless work on training nights and game days. I know I speak on behalf of all the players when I say, without your dedication the club wouldn't be as strong as we are.

To Mark Bye, special thanks for attending to all our legal requirements throughout the year and Messr's Michael Gamble and Mark Johnston for their tireless efforts at the judiciary hearings for Ben Olsen.

Speaking of Ben, he deserves a huge rap for the character he showed fulfilling his first grade captain's duties at the I.D.R.U dinner after being stripped of the I.D.R.U Player of the year award. It took a lot of guts to sit through that night and for that we are all proud. Well done Ben.

To those members who were married throughout the year or felt the joys of parenthood, I offer my congratulations. To those members recuperating from injury or illness, my best wishes for a speedy recovery and to those members who have lost loved ones, my sincere condolences.

In closing, I would like to congratulate all of this year's award winners and remind everybody of the Annual General Meeting to be held on

Wednesday 10<sup>th</sup> November at Wiseman Park Wollongong City Bowling  
Club commencing at 7.00pm.

I wish everyone a very safe and joyful festive season.

Yours in Rugby  
Wayne Ireland  
President

## TREASURER'S REPORT

Sponsorship is an integral part of keeping the club financial. **WISEMAN PARK WOLLONGONG CITY BOWLING CLUB**, were again our **major sponsors** this year. On behalf of the club, I would like to extend our appreciation for their support during the year. I would also like to commend our club members and associates, for the support we have offered in return.

Our appreciation also extends to the many other sponsors associated with our club this year. These being:

- Jeffrey M. Jones, Solicitor
- Tyson Zeidler Automotive Excellence
- Hasties Toptaste Meats
- Bulli Fruit & Veg
- Hogs Breath Café & Saloon, Wollongong
- Unanderra Hardwareman

The takings from the canteen, under the continued management of Harry Hawksworth, were excellent. Harry increased the return last season and continued the great job throughout this year. This isn't a one-man job, and there are many people that have given a lot of time to help stock and run the canteen. Thanks to everyone involved.

The club also had another excellent year raising revenue from raffles and fundraising activities throughout the season. The money raised was in line with last year's earnings. The club would like to recognise the following people for their efforts in this area:

- Adam Sharman - Joker Poker
- Zlatko Manovski – Trivia and Karaoke nights
- Carly Hawksworth – Rebel Sports Commission on Sales
- Rick Boyle / Adam Sharman – Game day raffles

The junior club, once again, continued to be self-sufficient. The committee must be commended on the way they have administered the junior club. Well done.

Finally, I wish to commend the committee for their efforts in administering the club this year

Craig Franklin

# CLUB MANAGERS REPORT

This year was my first on the committee and I have enjoyed the involvement.

The Club's year got off to an excellent start when we were strongly represented in the Illawarra Senior and Colts teams who both won their respective Country Championship Finals.

My sincere thanks and appreciation goes to our representative players who backed up on Sundays during the early rounds of the competition.

The year culminated in that magic day on 11 September when our First Grade Team won the Illawarra Premiership. Congratulations to Paul, Rick and the players.

Our Second Grade Team also performed extremely well during the year and were genuinely unlucky runners up in their grand final.

Third Grade were as competitive as could be expected given the constant player drain to higher grades.

Every player, coach, official and volunteer can be proud of their contribution to this years achievements. Our loyal, vocal and mobile army of spectators made a valuable contribution as well.

Congratulations to Captain Ben Olsen for blitzing the opposition in the IDRU Player of the Year point score and for the professional manner he displayed during those testing moments at the IDRU Grand Final Dinner.

We are indeed fortunate to have such exceptional spirit and camaraderie within the club. This is evident both on and away from the field and must be the envy of others.

I can think of nothing better to do on a winter weekend than to watch Techtahs play their exciting brand of Rugby.

Warren Read

# Club Capitan's Report

I'll start this report in pretty much the same manor everyone else has started theirs. That is to congratulate 1<sup>st</sup> Grade on their magnificent win!

The more I have thought about your achievement, the prouder I am being part of our great club. Not only did you get over some very significant injuries, most of you had played extra 10 or so games you and had to double up and play Saturday and Sunday.

I must admit, the thought had crossed my mind more than a few times of when all of this might catch up with you. However, to your credit of will and determination, you all set a goal, never gave up and achieved it. I applaud you for your outstanding achievements. "Congratulations".

To 3<sup>rd</sup> Grade another year just missing out on the semis. At the beginning of the year I would have put my house on you boys making the eight. Unfortunately, injuries to backthrough the grades really made life difficult for you. Week in, week out, I would watch your pack dominate but no one to finish it off. It must have been frustrating but speaking from experience, forwards rarely make good backs, vice-versa. Hopefully all hands will be back on deck next year, injury free and I'll be willing to make that bet again.

Last but not least, 2<sup>nd</sup> Grade. Firstly, I would like to congratulate all of the boys for making the Grand Final. It has been an absolute pleasure playing and training with you. Making the Grand Final and not winning must have been the worst feeling I have ever felt. Even writing about it brings that sick feeling back to my stomach. I'm sure there would be a lot of you thinking, 'get over it, it has been two months', but that is the sort of bloke I am. If we had won I would still be on cloud nine driving everyone crazy with grand final stories every chance I got. Alas, where there is a 'yin' there must be a 'yang' and in my misery will I wallow.

Which brings me to the point of telling you all that when we win, I feel the highest of highs and when we lose, I feel the lowest of lows. That night early in the year when you boys voted me as your Club Captain, it was one of the proudest rugby moments of my life. That night and throughout this year, I have felt the highest of highs representing you as your Club Captain.

THANK YOU

Zlatko Manovski

## 1<sup>st</sup> Grade Report. Season 2004

It's hard to believe that season 2004 has come and gone. So much has happened it's almost impossible to remember everything, but as usual, it is time for the required 1.5 pages of reflection, and especially praise that is so deserved at this time of the year, especially this year, THE PREMIERSHIP YEAR. I will try and keep it as brief as possible as to reflect on everything that has happened would take up half of the year book. You will have to put up with the details on Presentation night.

The beginning of the season saw us with almost all our first grade players in the Illawarra representative teams, and deservedly so. Not only did these players play a major role in the ultimate success of both the Illawarra seniors and under twenties, they returned to us match fit and able to begin our season running, except for those however who experienced serious injuries before even playing a game for us. Some say it is the price you pay for supporting your district, after the events of the latter part of the season I will let you decide on that!

Several injuries were sustained but luckily all but one were able to return to the red black and white at some stage of the season. To Sammy Graham, who suffered an horrific leg injury, I can only say that we all missed you, and your unmistakable antics during the season. However your never ending support for myself and your team didn't go unnoticed, well done. The 'scare' to Ben Olsen's shoulder sent us all into a spin, then 'Whipett's' ankle injury, and when I heard of Lee's knee injury at Illawarra training I must admit I was starting to worry.

It was difficult I know for many of the Rep players to back up so many times, but rest assured it was noticed by all that your commitment to the team and club never wavered and I know that the higher levels of fitness and skills you returned with was a key point in our success this season. For probably the first time in my coaching career, I had absolute confidence in not only the players in the first grade team, but also in the players behind them, never endingly pushing for that first grade position. It is comforting to know that you have second and third graders that at any given time could, and indeed did, both fill in the first grade gaps and push for that first grade spot. I must also mention, and thank Stretto, Johnny and Cheeto for the

excellent job they all did throughout the season and for the ongoing and never questioning support they gave me, I truly appreciated it.

I won't go through the season in minute detail, suffice to say I believe it was a sensational one, and one that will take some beating, to go throughout a season only losing one game is indeed a sensational effort from everyone involved. I would like to mention now the effort put in by Rod Petty before his decision to move to Eastwood. Rod as we all know is one of the most passionate rugby players you will ever meet and I know that his decision to move was not an easy one and one he pondered over for quite a while. His contribution to the team and club, especially as captain of first grade was as always 100%.

I would like to make special mention of all of the players who have made this last season very special for me and whose efforts this season have directly contributed to our success, however I will resist the temptation and, once again, you will have to put up with my ravings about them on Presentation night. However, for a little bit of self indulgence, I feel compelled to mention a few here. Firstly to Ben Olsen, Ben was appointed the captaincy after Rod left and from game one showed his ability to both inspire the lads by his cool headed and professional approach to the game and officials, and of course by his own example on the paddock. The events on the last couple of weeks of the season proved what an absolute gentleman you are, and the depth and strength of character you possess. You are a credit to yourself and to your family and it has been a privilege having you in the team, and as captain. To Lee Martin who I believe to be one of the most under rated players in Illawarra, Lee's initial knee injury should have been season ending, but we all knew he would be back, and back he came, only to suffer a worse knee injury. Lee, I certainly enjoy being your coach, but I enjoy being your friend more. Finally to Josh, Scoot, Waterbug or whatever else you want to call him. It's great fun coaching your sons, and I have coached all of them at one stage or the other, but I have to say I have never been a prouder coach or father the day you ran onto Ocean Park August 28<sup>th</sup> as a new dad.

There are of course many people, other than the players I have to thank. First and foremost to Ronny, I have forgotten how many seasons this makes, I'm guessing about 33, but as usual we were both there and once again I find myself thanking you for your support, advice and of course friendship. To Wayno, we spoke of this result a couple of years ago, or was it four years

ago mate, who knows? Thanks for your never ending efforts for the club, but more so your untiring support and encouragement to me, it has never wavered over the years. To Rick (ah stuff em, bloody mongrels) Boyle, well we did it, from neither of us going to do it again to this, who would have thought? Thanks for 'keeping me behind the line' then running out yourself and yelling, thanks for the countless times you simply said " don't worry about that, I'll fix it up", thanks for exploding at the woman on the WIN Stadium gate just before I did, etc. etc. But especially for the simple glances, that made us both realise all was good. Julie, Julie, Julie.....what would we do with out you! Once again for your never tiring efforts that not only kept the players going, but me too, thank you so much.

Lastly, but of course by no mean least, to my family, especially Lee for letting me know I would regret it for the rest of my life if I didn't coach again this year, as usual you were right, and for you reassurances, suggestions and understanding throughout the season. To Annaleise, for the wonderful thoughts you gave each player on grand final day, and especially the sequence of events that took place when you arrived at the games, hug first, then "are we winning"?

Well that's it, I've waffled on enough but I will finish with this. On the bus trip from Saunders Oval to WIN Stadium, September 11<sup>th</sup> 2004, I left you all with this.

*"To every man there comes in his lifetime that special moment when he is tapped on the shoulder and offered a chance to do a very special thing, unique to him and fitted to his talents and strengths. What a tragedy it would be if that moment finds him unprepared or unqualified for the work which would be his finest hour".*

Well you were all tapped on the shoulder and you were all offered a special chance, opportunity found you both prepared and qualified, and it was truly you finest hour.

Go you good things

Paul Darby  
1<sup>st</sup> Grade Coach 2004

## 1<sup>st</sup> Grade Managers Report for 2004

What a great season for 1<sup>st</sup> grade and our club overall. Although at the beginning of the season we had a few obstacles placed before us, like the prospect of playing the first six competition games without all but two of our 1<sup>st</sup> grade team being unavailable due to the fact they were all in the IDRU representative squid.

This in itself is worthy recognition of the talent in our club, but it did place a significant burden on the whole club to cope with their absence and the possibility of winning games in all grades. After a lot of work and discussion with the IDRU it was agreed that the competition games would be played on Sundays, much to the displeasure of a number of clubs who didn't want us to win any of these early games.

Our players to their credit did all they could with history recording that they played a major role in winning the NSW Country Championship for Illawarra while at the same time playing and winning all of our competition games through this time and continued their winning way until the very last competition game.

As 1<sup>st</sup> grade manager I take this opportunity in formally thanking all our club players who supported not only 1<sup>st</sup> grade but also the club by playing in any grade in any position asked of them by their respective coaches. This attitude proved very beneficial in taking our club to within a whisker of winning everything on offer including the club championship. The only down side was the fact we didn't have an under 19's which we must try to rectify in 2005.

Of course 1<sup>st</sup> grade had its share of disruptions as does any team with a couple of serious long-term injuries to Sam Graham and Lee Martin, the departure of Rod Petty to Sydney. But these and many other such issues were offset by positive inputs like gaining the services of Tim Filan, the elevation of Chris Wallace as a 1<sup>st</sup> grade player, the return of Ross Dummett from overseas and the talent and preparation of players who were available to cover specific positions when required such as John Collier, Mat Crimmins, Mal Duffin, Brad Sharman and Mick Merrick to name a few

As a player it is difficult to recognise that it actually does take a team effort to achieve the desired game results and the seasons objective of winning the premiership. The reality is each player is supported by those

that have the job of assisting them to such achievements, lead by the coach, the manager and the support staff.

The 1<sup>st</sup> grade/ club coach Paul Darby must be given special gratitude and recognition as a skilful coach for his ability and influence in preparing and bonding his team into the IDRU 1<sup>st</sup> Grade Premiership winning team for 2004.

This achievement is a just reward not only for all players involved but the dedication and effort Paul has put into his coaching position both for on field performance and off field solidarity.

Of course all coaches rely on their team captain to follow the game plan and lead the team during the game. Our 1<sup>st</sup> grade captain Ben Olsen must also be given recognition on this aspect of his many abilities. Not only did he lead by example on the field he gained even greater respect for the way he handled the very disgraceful and unwarranted attack on him as a player by members of the IDRU. In fact those senior administrators are the ones who have lost respect both as administrators and men for the way they dealt with the whole issue.

Something that has become an integral part of team support is the amount of time, effort and knowledge that goes into the physical treatment needs of the players, both on training nights and game days. We are indeed fortunate in having two of the best in Julie Hill and Gerry Stort who by any measure is much appreciated for their time and special talents in looking after all players.

For my part as team manager, it gives me personal pride to be part of this team and having insight into each player's personality and rugby skills. As a bonus I also get "bragging rights" to say I am a life member of the club and team manager of the 2004 Illawarra District Rugby Union 1<sup>st</sup> grade premiership team and club - Tech Waratahs.

Rick Boyle  
1<sup>st</sup> Grade Team Manager  
2004

## 2<sup>ND</sup> GRADE REPORT

Season 2004 was a very successful one for the 2<sup>nd</sup> grade side, resulting in a grand final appearance. Unfortunately, a premiership slipped through our fingers.

The team performed very consistently throughout the year, being led from the front by skipper Matt Crimmins. With a mixture of youth and experience, combined with endless enthusiasm, helped us achieve our high standing in the competition.

In the forwards, our younger brigade of Luke Vlandys, Daniel Houwelling and Dave McConnell put in strong performances with Crimmo showing his versatility, being able to mix it in the tight and score tries on the wings when needed.

The backs performed well as a solid combination to capitalise on our forwards go-forward and scored some impressive tries throughout the season.

I would like to thank Wayne Ireland for being team manager and all the support staff who helped throughout the year. To the players, I would like to thank them for their commitment throughout the year and hope that they forget the disappointment of the grand final loss and bounce back bigger and better next season.

In closing, I would like to congratulate Paul and his squad of players on their tremendous season, winning the premiership.

To the entire club, thanks for a great year.

Tony Cheetham

## 3<sup>rd</sup> Grade Coaches Report

Rugby is a game of two halves, and for Tech-Tahs 3<sup>rd</sup> grade their season was one of two halves – and what a difference between them!

In the course of the first half of the season the team had grown and gelled to create a great unit both on and off the pitch. With many close fought games, winning a few and losing some (but still gaining bonus points), we were still in the race for a top five finish at the half way mark. Then something happened.

The turning point of the season will go down in Tech-Tahs history and will be known as the “Bundanoon Disaster”, or colloquially as “The Long Walk to Mittagong”. Bundanoon, despite our bitter feelings that we were their only victory all year, were a great bunch of guys. Hey, who else would put on a great feed (not) at their homely pub and offer us tickets in what some would say was “the best raffle we have seen this year”! For those who were not there on that glorious day, it was a trailer full of firewood! We didn’t win the raffle but we did win the “friendly” game 10-7.

From that point on, the second half of the season was all about the getting a complete back line on the paddock! With injuries taking their toll in the higher grades the logical place to look for talent was the Wallabies. But seeing as that they were busy, 3<sup>rd</sup> grade came to the rescue!

To be honest though, the personnel that we had available every week were talented and committed. With grave shortages in the backs, we were relying on forwards to fill the gaps. The likes of Alex Matulick and Dave McConnell come to mind. Avondale players are still recovering from some of the hits that were put on them by our fill in “backs”. Richie and Stuey (who birthday it is today) offered their services, but I explained that they would be lost with all that pace and room to move.

Special mention must go a few players who filled the ranks of 3<sup>rd</sup> grade this year. Paul Condon who played every game this year. A great effort to someone of his vintage! “Ox” who managed to elude playing a full game all year. “Campo”, who in the early stages of the year scored a try or two every game. Nick for his unstoppable “go forward”. “Snowy”, who had the right attitude every week. Robbie, whose captaincy and imaginative back line play, was an essential element. “Kiwi Paul”, whose ability to clean the soles of his boots without the referee seeing him was awesome. The list goes on and on and we would honestly like to thank all of you for dedicating your time and energy to not only 3<sup>rd</sup> grade, but to the whole club.

We would like to thank Paul and Tony for their continuing support and also the 3<sup>rd</sup> grade for their improved and adventurous plays. Most of all we were pleased with the commitment to training.

Thanks and see you all in 2005.

Dave "Stretto" Stretton and John "Johnny" Maughan
